

Young disadvantaged people as victims of multiple discrimination

An assignment for participants

Please fill in the following questionnaire, identifying the discrimination types that the following young people suffer by:

1. A 10 years old Roma beggar-boy from Romania.
2. A 21 years old Muslim woman, married in a conservative Muslim family in the UK.
3. A 19 years old illiterate soldier from Bulgaria.
4. A 17 years old pregnant prostitute with no high school diploma from Holland.
5. A 22 years old handicapped accountant from Greece.
